I am writing to enthusiastically recommend Mr. Ridha Sabah Asad as a highly-qualified English teacher. Having worked with Ridha, I have had the pleasure of witnessing his growth as an educator and the profound impact he has had on pupils.

In addition to his perfect class management skills, Ridha possesses a remarkable ability to engage students in the learning process, making English both accessible and enjoyable to students. He always tries to foster a dynamic learning atmosphere using a variety of teaching methods including interactive activities and multimedia resources. Ridha has successfully taught individuals from diverse backgrounds, tailoring his approach based on students' learning styles and goals. From very young learners experiencing English for the first time to adult students seeking to improve their language skills for professional growth, Ridha has consistently demonstrated the adaptability and patience necessary to support their progress.

Moreover, Ridha is dedicated to ongoing professional development. Since we started our cooperation, he has regularly attended workshops and collaborated with colleagues to refine not only his language skills but also his teaching techniques according to best current practices in language instruction. Obtaining high grades, Ridha has passed ITC (Instructor Training Course), American English Pronunciation Course, Practical Techniques in Language Teaching Course and participated in a number of teaching workshops at Gooyesh Language Institute. He has also come up with some innovative teaching styles which have proved to be effective in the way his students learn. His commitment, persistence, and positivity are always valued by the staff as well as students' parents.

In conclusion, I wholeheartedly recommend Ridha for any English teaching position. He will undoubtedly bring enthusiasm and expertise to any educational setting and will continue to inspire and empower learners in their journey to master English.
